

[GMR Associates, Inc.](#) cares about your financial wellbeing. We are all dealing with managing debt, credit, protecting assets and loved ones, identity theft, retirement and healthcare costs, caring for dependents who often include parents and children – where does one begin?

We are happy to announce that we've worked with [BPAS](#) (your retirement plan administrator) to roll out a *Financial Wellness Program* designed to help get your head out of the sand! You now have access to an online Financial Learning Center where you can take your confidential personal Financial Wellness Assessment. Based on your answers you'll be given a step-by-step personal action plan—just as if you had sat down with a financial planner. The resources in the Financial Learning Center are there to help you work towards meeting your financial goals. We encourage you and your family members to take advantage of this program! Get started today with the *Financial Finesse* App or online at <http://flc.im/bpas>.
